TAKE NOTE! IF I WAS A COMPOSER

As you listen to the episode, take note on the characteristics of the genre.

- What are its distinguishing features?
- Which instruments are used?
- Is it for a big ensemble, soloist, or small chamber group?

GENRE

• What are the features that are interesting to you?

When you are done, describe below what it would be like if you were to compose a piece in that genre.

• What features from your notes would you include in

• What instruments would you use?

• What would you do differently?

• Describe your piece the best you can!

• What would be the title?

Consider:
