TAKE NOTE!

IF I WAS A COMPOSER

As you listen to the episode, take note on the characteristics of the genre.

- What are its distinguishing features?
- Which instruments are used?
- Is it for a big ensemble, soloist, or small chamber group?
- What are the features that are interesting to you?

_____

GENRE

When you are done, describe below what it would be like if you were to compose a piece in that genre. Consider:

- What instruments would you use?
- What would be the title?
- What features from your notes would you include in your opus?
- What would you do differently?
- Describe your piece the best you can!
