

# Masterclass: Follow Your Passions!

As you listen to the episode, take note on the musician's character traits, stories, and mentality that helped them be the best in their field. Also keep in mind what you're passionate about, whether it's music, science, art, etc. Write down what motivates you, what helps you pursue your goals, why you are passionate about that subject. Carefully consider if there are overlapping similarities between you and the guest who became successful at pursuing their dreams!
