

My Favorite Place

ILLUSTRATED AND WRITTEN BY: ADRIANA

**A day at my favorite place could be at
the park.**

**Getting on the monkey bars and
swinging across.**

Brooke Grove Elementary

**A day at my favorite place could be at
the beach. Going in the ocean and
feeling the breeze.**

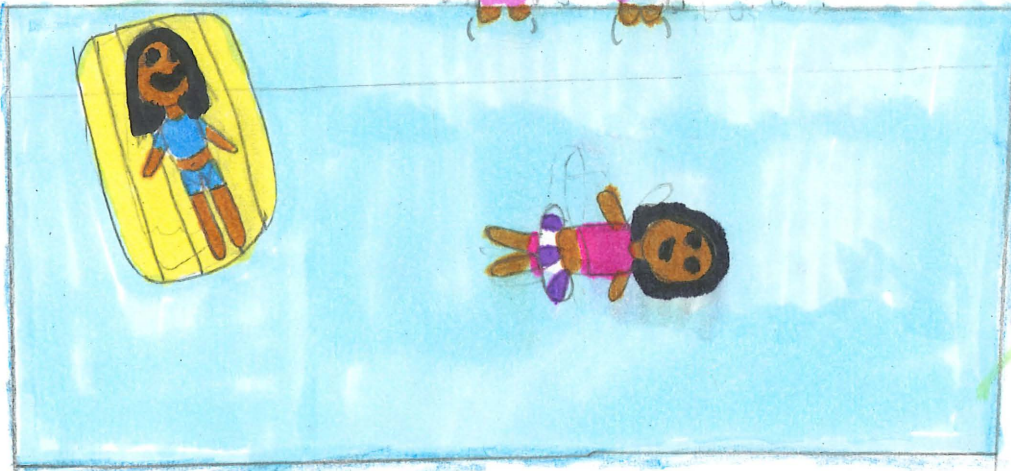

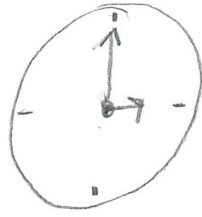

**A day at my favorite place could be
at the ice cream store. All those
ice cream flavors sitting inside
the store.**

**A day at my favorite place
could also be at the pool.
Getting in my floatie
and swimming across the
pool.**

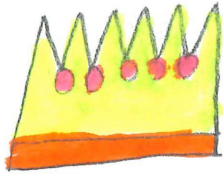

**A day at my favorite place could be at
the museum. Learning new facts
about the past that
I didn't know about.**

FAMILY TREE

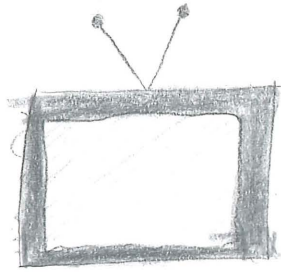

**A day at my favorite place could
also be at Disneyland. Meeting
many princesses and dancing
like I am at a princess ball.**

WALT DISNEY!

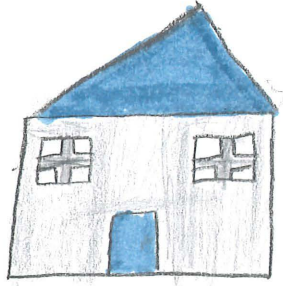

STUDIOS

**A day at my favorite place could
also be at my cousin's house.
Solving puzzles, drawing
pictures and watching a movie
which feels like a cinema.**

**But out of all those idea's a day at my
favorite place
would be at home with my family.**

ABOUT THE AUTHOR

HI. MY NAME IS ADRIANA . AND I AM A FOURTH GRADER FROM BROOKE GROVE ELEMENTARY SCHOOL. I WAS INSPIRED TO MAKE A RHYMING STORY FROM A BOOK I READ. I REALLY LIKED HOW THE STORY RHYMES SO I DECIDED TO MAKE UP A STORY THAT RHYMES TOO. ALSO WHEN I READ BOOKS TO MY SISTER THE RHYMING BOOKS ALWAYS CATCH MY SISTER'S ATTENTION. I REALIZED THAT SHE REALLY ENJOYED THE BOOK, SO I THOUGHT THAT OTHER KIDS WOULD LIKE IT TOO. SO THAT IS WHY I MADE A RHYMING BOOK.

**All about a girl who likes many places
but loves her family and her home.
Now what is your favorite place?**
