by Eucundo

A day at my favrit
Place. at the pool. In
the morning ~~it~~ it was
so hot, we went to the
Pool to cool off.

We ran into friends and
played some games.

Later we went to the

Ice cream shop when
we were about to order
mom said: where is bob?!

Our ~~grupo~~^m was
missing. we got strat
to the pool. we searched
everywere. we couldn't
find him! until...
my friend Agustis said.

Bob is over there!

On the lounge chair
by the pool, grampo
was sleeping.

We ran to hug him
and woke him up we
were so happy to see
again - he went to have
ice cream together.
