

The Park Behind My House  
By Micah

A day at my favorite place would be at the park behind my house. There is a green field and a fun playground.

I love to play on  
the playg round with  
my friends. We like  
to play - Cops and  
Robbers!

I love to talk to  
my friends when  
I'm on the swing.

For my birthday  
this year, I'll have  
cupcakes on the  
playground with  
my friends. It  
will be a fun day!
